The Fairfield-Suisun Chamber of Commerce Leadership Today Team would like to invite you to join our efforts and fill a vital role in protecting public education programs in our community. Our Team project was the formation of the Fairfield and Suisun Public Education Foundation, "FASPEF" a 501-C3 charitable organization [EIN 27-0481166]. Our mission is to support and enhance quality educational programs for every student in the Fairfield-Suisun geographical area. To accomplish our mission, the Foundation will reach out to the community to secure funds and resources.

We face many economic challenges and realize that budget cuts will continue to compromise public education in the coming years. Valued programs where children can discover their talents and nurture their dreams will be at risk. Our pledge is to work with our public education leadership to collaboratively protect and enhance all of our students opportunities in education.

To secure initial seed money for the organization, the Team is holding the inaugural reception and "kick off" party on Saturday, November 7, 2009 at the Blue Victorian in Suisun Valley from 4:00-7:00 pm. Our goal is to raise \$15,000 through ticket sales and sponsorships. Tickets to the event will be \$ 50.00 per person.

You have been recommended as a potential event sponsor because of your passion to serve the community—a passion that our Team shares with you! As an event sponsor, you will receive special recognition and acknowledgment at the Event as well as in the Fairfield-Suisun Chamber Newsletter and Website.

The Sponsorship Levels are:

- Corporate Sponsor \$ 2,500 - Includes six tickets to the event
- Major Sponsor \$ 1,000 - Includes four tickets to the event
- Contributing Sponsor \$ 500 - Includes two tickets to the event

We hope that you will accept our invitation to help public education in the Fairfield-Suisun and Travis Unified School Districts. Your contribution and commitment make it possible for us to support and enhance quality educational programs for our community's students.
